ZED

The MiCon IV Outpost is proud to announce that the distinguished gravitation physicist Zorah Prosk is pursuing further research breakthroughs in its laboratories. Another sign that the Far Arm is attracting the movers and shakers of the Imperium!

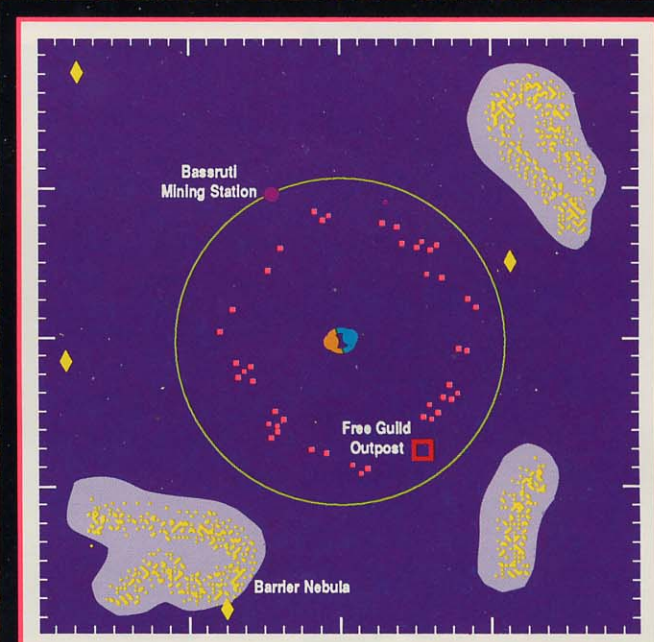

SIGURE

Trochal Independent Outpost stalwartly holds down the frontier against Manchi incursions. Piracy is no longer a significant problem.

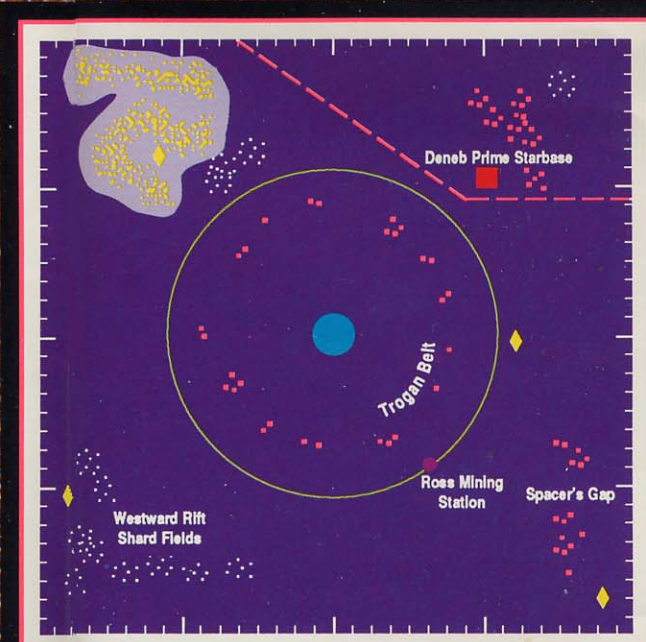

ARCTURUS

MiCon II mining station awaits the visitor with a taste for industrial technology. At this writing, Arcturus hosts the Imperium's fabulous carrier Koth, newest addition to the fleet and a shining symbol of the rule of law in the Far Arm.

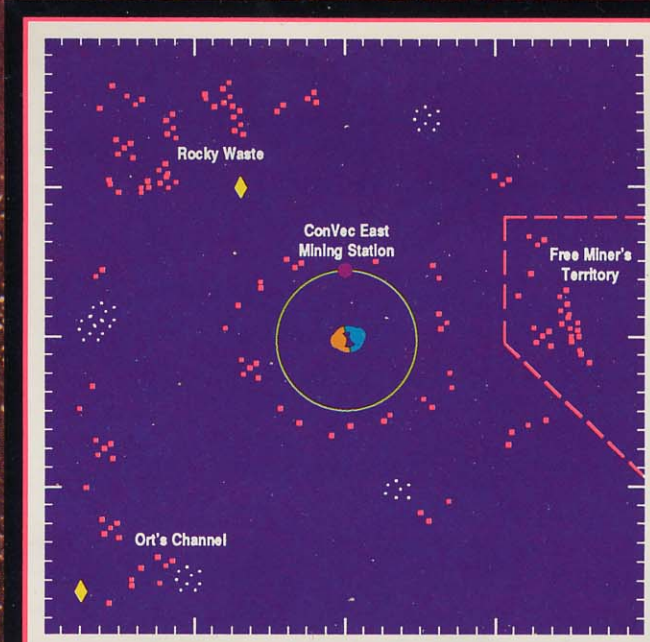

BASSRUTI

The Free Guild Independent Outpost experiments with new social attitudes toward taxation and authority. Meanwhile, the advanced Bassruti Genetic Research Center is making exciting new discoveries about the nature of life.

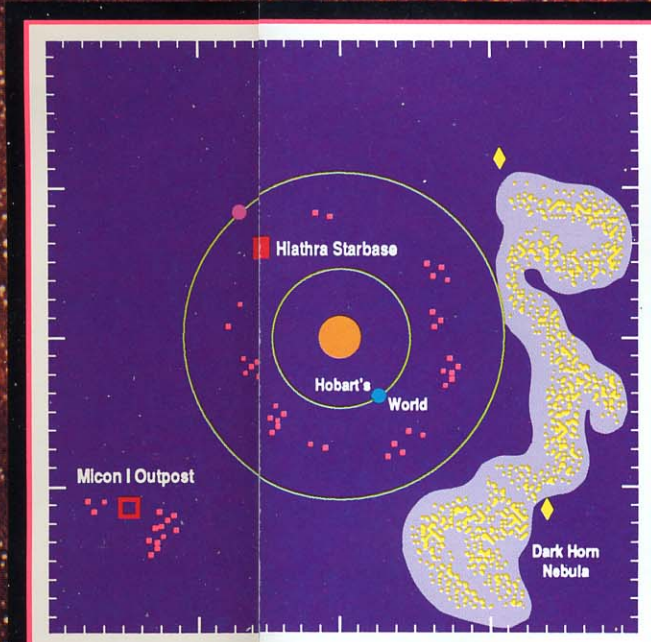

DENEb

Impressive Deneb Prime Starbase is the home of Duchess Avenstar. Piracy has been much reduced under her wise rule.

GRYPHON

ConVec East mining station welcomes all miners, mineralogists, and tourists. See the deep space monument commemorating the Battle of Binary Stars.

KARONUS

Site of magnificent Hiathra Starbase and the historic MiCon I mining station. Piracy has been virtually wiped out in this sector.

NAR'SEE

Lagrange mining colony produces the finest titanium in the galaxy. Nar'see's fields of antimatter shards have attracted much attention in popular entertainment, but space is a big place, so they're easy to avoid!
