Urban Planners

Dear Evil One,

Attached is a map of the town of Festeron. I have followed your instructions to the letter. The town as it exists before 6 p.m. is depicted in blue. The brilliantly wicked changes that you shall wreak at 6 p.m. are indicated in black. Your evil Tower will be built on the site of the Post Office, as you command.

I am of course at your disposal should you desire other changes ~~if~~ when you claim the Magick Stone.

In servile gratitude,
J. S. Moriarty
